Work Experience

Frontend Development Projects

- Built responsive projects including an E-Learning Platform for EduWave, Networking Web App for Connectly, Kenny-K Closet (e-commerce platform), SivanFood (food ordering), and a Photographer Portfolio.
- Focused on clean UI, mobile-first design, and interactive user experiences.

Graphics and Branding Projects

- Designed full identity for Cyreva (Tech Company), SivanPay, Impact, FluxAi, ProTTYTopUp, and many other big and small businesses.
- Collaborated with startups and small businesses on logos, branding, and social media visuals.
